

## Using ListenAlaska on your NOOK Simple Touch

To Download ListenAlaska books to your NOOK, your computer must have Adobe Digital Editions installed. If you already have Adobe Digital Editions installed, move on to step 5. If you do not have Adobe Digital Editions installed, from your computer's Web browser go to:  
[www.adobe.com/products/digital-editions.html](http://www.adobe.com/products/digital-editions.html)

1. Click the blue text that reads "Download Now" on the right side of the screen.
2. Click on the appropriate version (Mac or Windows) and then click "Run" when the file download box appears.
3. Follow the installer's on screen instructions.
4. Open Adobe Digital Editions when installation is complete. Authorize your computer by clicking "Help," then "Authorization Information," and then typing your AdobeID and password. Click "Create an AdobeID" if you do not already have one.
5. From your computer's Web browser, sign in to ListenAlaska and select a title you would like to check out.
6. Click the blue "Borrow" button.
7. Click the blue "Download" button.
8. Click the "Adobe EPUB eBook" format.
9. Click the blue "Confirm & Download" text.
10. Click "Open" when the file download box appears.
11. The book will load in Adobe Digital Editions. Click the white "Library" link in the top left of the screen.
12. Plug your NOOK into your PC via your USB cable.
13. Transfer the title to your NOOK by dragging the picture of your eBook and dropping it on your device listed in the left column.
